A TERRIBLE COUGH,

"94, Commercial Road, Peckham, July 12.
"Dear Sir,—I am a poor hand at expressing my feelings, but I should like to thank you. Your lozenges have done wonders in relieving my terrible cough. Since I had the operation of 'Tracheotomy' the same as the late Emperor of Germany, and unlike him, thank God, I am still alive; performed at St. Bartholomew's Hospital no one could possibly have had a more violent cough: it was so bad at times that it quite exhausted me. The mucous, which was very copious and hard, has been softened, and I have been able to get rid of it without difficulty.—I am, sir, yours truly, J. Hill."

FINE ENGLISH WATCHES.
In recent years it has become the habit in all sorts and conditions of trade to cry out
"CHEAP LINES,"
but nothing has enjoyed so much favour with the public as "Cheap Lines" in watches. Watches in tin cases from Rs. 3 to Gold Watches for Rs. 45, all obtaining equal prominence as being,
FULLY JEWELLED,
with 10, 20 and sometimes 30 jewels to recommend them. This Ostentatious display of jewels (?) seems to find attractions for many; but the Intelligent reasoning section of the Public for whom we lay ourselves out would understand that for such absurd prices it would be impossible to obtain anything but mistakions, and even if jewels did exist in the better lasses of watches, they are of use only when
WELL FINISHED AND WELL FITTED.
All "Cheap Lines" of goods come from—no one knows where. They possess no identity. They have no parents and are offered to the world without any character whatsoever
GENUINE ENGLISH WATCHES.
come to us with an unbroken record of advance and a reputation extending over a period of nearly
FOUR CENTURIES.
Of course the horological machines of the Sixteenth Century, cannot be compared with the precision exacted from time-keepers to-day; as during the last 50 years progress has been very marked and has consisted chiefly in perfecting what had already been given to the Horological world.
The English Watches we beg to offer to the Public of which every part has been
MADE IN ENGLAND,
are the finest time-keepers ever imported into India and are guaranteed as being the
ACME OF PERFECTION,
MOVEMENT. Keyless, 7 jewelled, 4 pairs rubies, compensation balance, expansion balance, Guillaume breguet hair spring, shockless lever escapement of the finest description. All levers most carefully examined. Every watch carefully and accurately rated and adjusted for variations in positions and temperature.

SOUNDY'S
TENSE STEEL FRAME PIANOS
FOR INDIA.
HAVING first introduced Steel Frame Pianos into India in 1890, we have since that time proved from experience that they are the best adapted to the climate, we have therefore had the Steel Frames still further improved in construction, with the result that our TENSE STEEL FRAME PIANOS now give the greatest possible resistance against climatic influence, absolute security to the pin plank, and being of steel, a maximum rigidity is obtained with a minimum of weight consistent with strength. These desirable results have been attained after our 36 years experience of the effect the Indian climate has on Pianos.
The TENSE STEEL FRAMES are cast in one piece, and covering the wrest-plank, and not merely an ordinary frame with a separate thin Metal Plate.
The tone is all that can be desired, and is of a pure singing quality, but with a resonance not to be found in the general run of Iron Frame Pianos.
Our imports for the coming season will be the finest we have ever offered for excellence of workmanship, exterior finish, quality of tone, and durability.

MEMORIAL

TO THE LATE

A MEETING was held, on the 24th April, at the ROYAL UNITED SERVICE INSTITUTION, of some of the friends of the late Sir George Chesney to consider the question of the commemoration of his distinguished services as Soldier, Administrator, Statesman, and Author. General Sir Henry Norman presided, and was supported by Field Marshals Sir Lintorn Simmons and Sir Donald Stewart, and other friends of Sir George Chesney. To carry out the object of the Meeting, a General Committee was formed, which included the gentlemen then present, and in addition, the Marquess of Lansdowne, Field Marshal Lord Roberts, General Sir George White, Sir Andrew Scoble, Sir Alfred Lyall, Sir H. S. King, Sir W. W. Hunter, Mr. Meredith Townsend, General Richard Strachey, Mr. William Blackwood, and others.

The form the Memorial should take was left for the future consideration of the Committee, as it would depend on the amount subscribed, but the suggestions tended towards a bust of Sir George for the India Office, and a medal for valuable contributions to Military Literature. It was resolved to limit each subscription to a maximum of three guineas.

THE NEW FRENCH REMEDY

TRADE THERAPION MARK.

This successful and highly popular remedy, as employed in the Continental Hospitals by Ricord, Rayer, Robert, Velpeau and others, combines all the desiderata to be sought in a medicine of the kind, and surpasses everything hitherto employed.

THERAPION NO. 1 in three days only removes all discharges, effectually superseding; injections, the use of which does irreparable harm by laying the foundation of serious diseases. In dysentery, piles, irritation of the lower bowel, coughs, bronchitis, asthmas, and some of the more trying complaints of this kind, it will be found astonishingly efficacious, affording prompt relief where other well-tried remedies have been powerless.

THERAPION NO. 2 for disease of the bones, sore throat, impurity of the blood, scurvy, pimples, spots, blotches, and all those diseases for which it has been too much a fashion to employ mercury, sarsaparilla, &c., to the destruction of the sufferer's teeth and the ruin of health. Under this medicine every vestige of disease rapidly disappears, and the skin assumes the pleasing softness of infancy.

THERAPION NO. 3 for nervous debility, relaxation, and all the distressing consequences arising from excess, resistence in hot, unhealthy climates, &c., It possesses surprising power in restoring strength and vigour to the debilitated.

THERAPION may be procured at 2s. 9d., and 4s. 6d., per package of all the principal Chemists and Merchants throughout the world. In ordering, the purchaser should state which of the three numbers he requires, and carefully observe the above Registered Trade Mark, which is a facsimile of the word "THERAPION" as it appears on the British Government Stamp (in white letters on a red ground) affixed to every genuine
